

CCSA's MISSION

To assist those who are unable to obtain for themselves the basic necessities of life.

To offer resource counseling to move people toward greater independence and self sufficiency.

To provide opportunities for people to serve their community.

STAFF

CCSA is staffed primarily by unpaid volunteers. The agency has only three paid employees covering both centers.

CCSA strives to deliver quality services to its clients at the lowest possible cost. Volunteer services and substantial donations of food, clothing, and supplies, enable CCSA to ensure that overhead is kept low and resources are spent primarily for the benefit of the clients.

SUPPORT

CCSA is an IRS qualified non-profit organization. All donations are tax-deductible. Over 97 percent of all monies received by CCSA is spent on programs directly benefitting CCSA's clients.

DONATION

Did you realize that CCSA is able to purchase food for our clients from the San Diego Food Bank at a greatly reduced cost of .19 lb?

Sometimes we hear someone say "I can only give a small amount". Your contribution of \$25 a month, less than \$1 a day, will enable CCSA to address the needs

of a family of four for food and clothing for a year. Can you imagine how much that would help those in need?

HOW YOU CAN HELP

- Provide financial support
- Donate food, clothing and supplies
- Volunteer at one of the centers
- Collect donations for CCSA at your church, civic organization, or business
- Serve as your church's representative on the CCSA Advisory Council

San Diego churches interested in becoming a member of CCSA are invited to contact the Clairemont Center for membership information.

SUPPORT OUR ANNUAL EVENTS

- Hunger Walk
- Cash for Food Drive
- Back to School Program
- Children's Shoe Drive
- Christmas Programs

DAILY SERVICES

The Clairemont Center each month provides food, clothing, and hygiene items to approximately 300 households (cumulatively 800 people).

Homeless individuals make more than 500 visits per month to the Pacific Beach Center. Clients are given food packets, clothing and hygiene items. This center also has a nursing clinic offering first aid, health education and referrals for health services.

Both centers provide transportation assistance in the form of one day bus passes for medical appointments and employment searches. The centers also provide financial aid to help people obtain their birth certificates, California identification cards and prescription medicines and for other emergency needs when deemed appropriate by the agency.

All clients visiting CCSA's two centers are offered resource counseling along with referrals for additional food, shelter, medical care and employment assistance. CCSA also helps clients complete applications for food stamps and other government aid.

Each center is open five-days a week and serves clients on a walk-in basis. All persons are offered service regardless of sex, race, religion or nationality.

CCSA MEMBER CHURCHES

CCSA has been servicing San Diego for 41 years. Thirty-one Churches in Clairemont, Pacific Beach, La Jolla and University City donate food, financial support, clothing, and volunteer time to support the mission of CCSA.
